The Harbor Springs Farmers Market is Wednesdays and Saturdays 9am - 1pm.

Please plan on arriving between 8:00-8:30. Young Entrepreneur tents are turquoise with a green "Young Entrepreneur" banner. I chalk your name on the curb, and because there is often more than one Entrepreneur, please pay attention to the chalk so you set up in the correct location. Parents are welcome to slowly drive through the barricades right up to your spot. From there, quickly unload your supplies and then park your vehicle. All cars must be off the street no later than 8:45. Parking is available further down Main Street, on Third Street, and at the back of the Church Lot. Please do not park in the lot between the Parish Hall and Johan's; we like to keep that open for customers.

Please note that we are a rain or shine market! If market is cancelled due to weather, it will be announced on our Facebook page by 6:00am, otherwise please plan on attending. If for any reason you have to cancel, please let me know by the night before. We cannot guarantee availability if you have to reschedule.

Vendors are not allowed to have pets at their booth. Parents you are welcome to stay and help your Entrepreneurs, but if they are old enough, we highly suggest letting them take responsibility for their own booth and just hanging out somewhere close by.

We are so happy to you have you at the Market and are excited for your future as entrepreneurs!

Please reach out with any further questions! See you this summer :)
