

SPONSORSHIP

WHO WE ARE AND WHAT WE DO

The Harbor Springs Farmers Market is run through Farming for Our Future, an independent, non-profit organization. We are dedicated to supporting small farms and locally sourced food businesses, providing opportunities for local entrepreneurs, educating our youth, and creating weekly events that educate the mind, nourish the body, and promote vibrant living. We invite you and your team to join us!

WHY SPONSOR THE MARKET?

Sponsoring Harbor Springs Farmers Market shows your company's commitment to community growth, localism, sustainability, economic development, and entrepreneurship. Market customers are a diverse group of local and summer residents, many who visit the market on a weekly basis. Sponsors have the opportunity to share with our customers in a variety of ways.

This year, all the proceeds from sponsorships are going straight to the "Market Pantry" program. At the end of every market, we will spend \$100 buying products from vendors that will then go directly to local area food pantries. On Wednesdays, donations will be sent to the Pellston Area Food Pantry, and on Saturdays donations will go to the Harbor Springs Food Pantry. We are so exciting to be able to support local businesses while also providing fresh healthy foods for our community!
